

The Office of Residence Life (ORL)

Permissible Items for Residential Living

The following is the list of items that residents may bring to the residence halls in compliance with FTC Fire and Personal Safety policies. All FTC residents must comply with these policies.

Please note: All appliances and electrical equipment must be UL listed.

Residents can get creative with many of the permissible items on the lists that follow. We encourage you to personalize your space to help make your room your home away from home. Absolute necessities are in **bold** print. Thank you for cooperating with the FTC policies, that are designed with your community's safety and comfort in mind.
