

**EMERGENCY NOTIFICATION  
REGISTRATION FORM**

Five Towns College has placed a Campus Notification System at the top of our priority list to protect students, faculty and staff in case of an emergency or a threat. The main concern for us is the threat of terror or criminal acts, fires, accidents and extreme weather.

Warning everyone quickly about the situation and delivering clear instructions for action help to ensure a quick, effective and safe response.

Please fill out this form if you would like to register for our Emergency Notification System, or if you would like to opt out. This form needs to be returned to Public Safety.
