### ***Meet the Candidates Night at FTC***

The League of Women Voters of Huntington will be co-hosting a *Meet the Candidates Night* on Wed. Oct. 24 at 7 p.m. with Five Towns College in the Five Towns College Performing Arts Center located on the main campus at 305 N. Service Rd., Dix Hills, NY. All are welcome to attend!

Joining us for this educational forum will be NYS Assembly Candidates Steve Stern, Jeremy Williams, Andrew Raia and Avram Ruben. NYS Senate Candidates in attendance will be Carl Marcellino, James Gaughran, John Flanagan and Kathleen Cleary.

This will be a great opportunity for voters to ask questions and learn more about the candidates in the upcoming election. Part of the event offers FTC Mass Communication students the opportunity to interview members of the League of Women Voters and film, produce and direct. So, it will be exciting for students as well!

A *Take Action Workshop* from 5pm – 6:30pm will be conducted by the League of Women Voters first. The purpose is to educate attendees how to weigh campaign, news and research so that they make the best choices. No aspect of the training will support or oppose a candidate for office or a political party.

We hope to see you there! For more information about *Meet the Candidates Night* or to register for the Take Action Workshops, please contact Colette Knuth, President, League of Women Voters of Huntington at [LWVHuntingtonNY@gmail.com](mailto:LWVHuntingtonNY@gmail.com)
