

FIVE TOWNS COLLEGE

COVID-19 Vaccination and Mask Policy

Revised June 10, 2022, v.2

Students

Five Towns College recommends, but does not require, that all students become vaccinated and boosted in accordance with CDC guidelines, except as follows:

- **Resident Students** – Resident students are required to vaccinated, but not boosted, except if they have received a medical or religious exemption. Those who are unvaccinated due to an exemption are required to have the consent of their roommate to remain unvaccinated. Alternatively, unvaccinated resident students may opt to reside in single occupancy rooms.
- **Student Athletes, Theatre Arts, and Music Division Students** – Students who seek to participate in team, cast, or ensemble activity may be required to be vaccinated to participate in these group activities. Unvaccinated, even with a medical or religious exemption, students may be limited in these activities. Student Athletes, Theatre Arts and Music Division students should consult with the department chair for additional guidance.

Faculty and Staff

Faculty and Staff are required to be vaccinated as a condition of employment, except if they have received a medical or religious exemption. Booster shots are at the discretion of each employee.

Campus Visitors

The College recommends, but does not require, that all visitors to campus be vaccinated and boosted.

Masks

The College recommends, but does not require, that all individuals on campus be masked, except as follows: Each individual faculty member has the authority to require that students wear masks in his or her classroom.
