

2023-2024 Verification Worksheet V1 - Dependent Student

Your 2023-2024 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid office at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid office as soon as possible so that your financial aid will not be delayed.

Instruction Section for Tax Filers

Option 1 – Use the IRS Data Retrieval Tool

The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If you have already used this tool and submitted your FAFSA with unaltered tax data than no further action is required, unless instructed by your financial aid office.

If you have not already used the tool, go to FAFSA.gov, log in to your FAFSA record, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. From there, follow the instructions to determine if you are eligible to use the IRS Data Retrieval Tool. If you need more information about when, or how to use the IRS Data Retrieval Tool please contact the financial aid office.

Option 2 – Request an IRS Tax Return Transcript for Filers or Non-Filers

If you do not meet the requirements or choose not to use the IRS Data Retrieval Tool, you are required to submit yours, and your parents', IRS tax return transcript to the financial aid office. If your parent did not file, your parent will need to request a 2021 Non-Filing Statement from the IRS.

To obtain an IRS tax return transcript, go to www.IRS.gov and click on the "Get a Tax Transcript" link. You can select to receive the transcript online or have a copy mailed to you. You will need your SSN, DOB, and the address on file with the IRS (the address used when your 2021 IRS tax return was filed), or call 1-800-908-9946.

Note: Once you have filed your return with the IRS it may take up to two weeks for IRS income information to be available for electronic tax return filers, and up to eight weeks for paper tax return filers. You must wait until your IRS income information is available before choosing either option.
