Sister Act 2

Sister Act is my first adventure as Co-Head of Musical Theatre and Head of Vocal Production at Five Towns College (FTC). It has been a heavenly experience!

Sister Act is a story of a singer destined for stardom and a Mother Superior's imminent acceptance. Featuring a high-octane score by Tony Award Winner Alan Menken and Grammy Award Winner Glenn Slater, with a witty book by Emmy Award Winners Bill & Cheri Steinkellner, this hilarious musical really sings. Add in a high school crushed cop, a group of goofy goons and a troupe of high belting, booty shaking, disco dancing nuns and you've got a recipe for a divine musical comedy that proves that sisters ARE doing it for themselves!

At Five Towns College, positive change is afoot. We are moving forward elevating the FTC brand and producing HUMANS with conservatory training and scrappy street smarts. FTC's production of *Sister Act* encompasses all the aspects of our training program - acting, singing, dancing, all while being completely emotionally available and connected to the text. The range of talent on this stage is incredible. This cast and crew have shown up every day and I'm immensely proud of each and every one of them. This is going to be an excellent production because of them!
